1. ACCEPTANCE OF TERMS:

By Using the Software, You agree to be bound by the terms of the EULA. If you are entering into this EULA on behalf of an entity, you represent that you have authority to bind that entity. If you do not have such authority or you do not agree to the terms of the EULA, neither you nor the entity may Use the Software and it shall be returned to the Approved Source for a refund within thirty (30) days of the date you acquired the Software or Platformatics product. Your right to return and refund applies only if you are the original end user licensee of the Software.

2. LICENSE:

Subject to payment of the applicable fees and compliance with this EULA, Platformatics grants You a limited, non-exclusive and non-transferable license to Use object code versions of the Software and the Documentation solely for Your internal operations and in accordance with the Entitlement and the Documentation. Platformatics licenses You the right to Use only the Software You acquire from an Approved Source. Unless contrary to applicable law, You are not licensed to Use the Software on secondhand or refurbished Platformatics equipment not authorized by Platformatics, or on Platformatics equipment not purchased through an Approved Source. In the event that Platformatics requires You to register as an end user, Your license is valid only if the registration is complete and accurate. The Software may contain open source software, subject to separate license terms made available with the Platformatics Software or Documentation.

If the Software is licensed for a specified term, Your license is valid solely for the applicable term in the Entitlement. Your right to Use the Software begins on the date the Software is made available to You for Your Use and continues until the end of the specified term, unless otherwise terminated in accordance with this Agreement.

3. EVALUATION LICENSE:

If You license the Software or receive Platformatics product(s) for evaluation purposes or other limited, temporary use as authorized by Platformatics ("Evaluation Product"), Your Use of the Evaluation Product is only permitted for the period limited by the license key or otherwise stated by Platformatics in writing. If no evaluation period is identified by the license key or in writing, then the evaluation license is valid for thirty (30) days from the date the Software or Platformatics product is made available to You. You will be invoiced for the list price of the Evaluation Product if You fail to return or stop Using it by the end of the evaluation period. The Evaluation Product is licensed "AS-IS" without support or warranty of any kind, expressed or implied. Platformatics does not assume any liability arising from any use of the Evaluation Product. You may not publish any results of benchmark tests run on the Evaluation Product without first obtaining written approval from Platformatics.

4. FEEDBACK AND CONTRIBUTIONS:

"Feedback" means any feedback or suggestions that you provide to Platformatics regarding the Software or Platformatics product(s). If you provide Platformatics with any Feedback, Platformatics is free to use the Feedback however it chooses.

"Contribution" means any code, whether in Source Code format or object code format, or any other information or content, that you make available to Platformatics by any means. Mere use of code or content with the Software, without making that code or content available to Platformatics does not constitute a Contribution. If you make any Contribution available to Platformatics, you hereby assign to Platformatics all right, title, and interest (including all copyright, patent, and other intellectual property rights) in that Contribution for all current and future methods and forms of exploitation in any country. If any of those rights are not effectively assigned under applicable law, you hereby grant Platformatics a non-exclusive, fully-paid, irrevocable, transferable, sublicensable license to reproduce, distribute, publicly perform, publicly display, make, use, have made, sell, offer to sell, import, modify and make derivative works based on, and otherwise exploit that Contribution for all current and future methods and forms of exploitation in any country. If any of those rights may not be assigned or licensed under applicable law (such as moral and other personal rights), you hereby waive and agree not to assert all of those rights. However, you may continue to freely use any Feedback that you provide to Platformatics, and you may continue to use, in any manner consistent with the License, any Contribution that you make available to Platformatics.

You understand and agree that Platformatics is not required to make any use of any Feedback or Contribution that you provide. You agree that if Platformatics makes use of your Feedback or Contribution, Platformatics is not required to credit or compensate you for your contribution.

You represent and warrant that you have sufficient rights in any Feedback or Contribution that you provide to Platformatics to grant Platformatics and other affected parties the rights described above. This includes but is not limited to intellectual property rights and other proprietary or personal rights.

You authorize Platformatics to use and incorporate any feedback or ideas You provide Platformatics in connection with Your Use of the Software, whether as Evaluation Product or Software licensed to You by an Approved Source, and expressly acknowledge and agree that Platformatics has sole ownership over any such feedback or ideas.

IN NO EVENT WILL PLATFORMATICS OR ITS LICENSORS BE LIABLE FOR THE FOLLOWING, REGARDLESS OF THE THEORY OF LIABILITY OR WHETHER ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE OR OTHERWISE, EVEN IF A PARTY BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES: (A) INDIRECT, INCIDENTAL, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES; (B) LOSS OR CORRUPTION OF DATA OR INTERRUPTED OR LOSS OF BUSINESS; OR (C) LOSS OF REVENUE, PROFITS, GOODWILL OR ANTICIPATED SALES OR SAVINGS.
